[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To

The Members,
Sonal Mercantile Limited
365, Vardhman Plaza, III Floor,
Sector-3, Rohini, New Delhi-110085

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sonal Mercantile Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Sonal Mercantile Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Sonal Mercantile Limited ("the Company") for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the company during the audit period);**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act');
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(Not applicable to the company during the audit period);**
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 **(Not applicable to the company during the audit period);**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not applicable to the company during the audit period);**

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 **(Not applicable to the company during the audit period);**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the company during the audit period);**
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (vi) Reserve Bank of India Act, 1934

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI);
- (ii) The Listing Agreement as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, entered into by the Company with BSE Limited.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except the following:

(i) There was a delay in compliance with SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/12 dated 22.02.2020 for Regulation 23(9) with respect to disclosure of Related Party Transactions on consolidated basis, due to the ongoing COVID-19 pandemic situation in the country, during the period. The Company had received an e-mail dated 22.04.2021 from the Stock Broker MSB e-Trade Securities Limited, Delhi (at the behest of the BSE) in this regard. However, the Company has complied with aforesaid circular and provided sufficient justification.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

MANAGEMENT DISCUSSION AND ANALYSIS

1. Industry Structure and Developments

Sonal Mercantile Limited is a **NBFC** and is engaged mainly in the business of providing Loans & Advances and also to make investment in both quoted and unquoted securities. The industry structure relevant to the Company's operations is mainly concerned with the Capital Market.

The NBFCs sector is undergoing a significant transformation at present and has come to be recognized as an important element of the Financial System. The recent issue in financial sector has highlighted the necessity, importance and significant role, the NBFCs play in development of nation's infrastructure.

In the financial system of India, importance of NBFCs has been much discussed. RBI has been setting right its regulatory and supervising policies from time to time to keep pace with the changes in the environment.

NBFCs have been actively fuelling the growth of the economy especially the infrastructure part of the economy and have been supplementing the Banking system effectively and thus enhancing competition and diversification in the financial sector.

The NBFCs have attracted substantial investments during the recent years both from the retail and from the wholesale side. The growth also has been significant during this year. The NBFCs have been catalysts in accelerating the growth in the semi urban and rural areas. The projections made by RBI and other financial forecasts give substantial growth opportunities for the industry in the coming years.

NBFCs continued to grow their share in the financial services industry. This growth momentum of NBFCs should result in their share in the financial services sector increasing in the near future.

2. Business Overview

Your Company is engaged in the business of providing Loans & Advances and investment in Securities, both quoted and unquoted. Company can expect future growth and development in its business. The vision of the Company is very clear and the management wants to increase its scale of operations.

3. Opportunities and Threats

The Covid -19 pandemic ensued global economic downturn, the most severe one since the Global Financial Crisis. The lockdowns and social distancing norms brought the already slowing global economy to standstill. Capital markets at present are going through turbulent times. Although the inflation has remained steady during the year but it is still under pressure due to hike in petrol prices, burden of diesel subsidies, high fiscal deficit, etc. The Government and Central Banks across the globe deployed various policy tools to support their economies such as lowering policy rates, quantitative easing measures, etc.

The NBFC industry holds immense potential and the Government of India's increased focus towards Financial inclusion has created various opportunities for existing NBFCs to leverage on their established customer base in rural areas. The above opportunities have made the Industry highly competitive with the emergence of new category of systematically important NBFCs. Along with existing local and Multinational players leading to tough competition within the industry.

However, we feel that the opportunities will soon arise in the markets upon the corrective policies by the government and better fiscal management which will strengthen the economy.

4. Segment-Wise Performance

The Company is engaged only into single reportable segment during the year under review.

5. Outlook

A year into the post COVID-19 world, your Company has not entered into new field during the last year. The global recovery, which has been dampened in the near term with the decrease in the number of COVID-19 cases, it is projected to strengthen over the projected period and hope to find some concrete business opportunity to expand the business of the Company.

6. Risk and Concern

Your Company at present is exposed to the normal industry risk factor of volatility in interest rate, economic cycle and credit risk. It has not yet decided its future course of activities. The impact of new activity, as when decided, will be known in the future.

7. Adequacy of Internal Control

The established Internal Control System of your Company are adequate to ensure that all the activities are monitored and controlled against any misuse or misappropriation of asset and that the transactions are authorized, recorded and reported correctly. More so, these internal control systems are regularly monitored by the audit committee of your Company and are improved upon on regular basis.

8. Discussion on Financial Performance with respect to Operational Performance

The brief on Financial Performance of the Company is already provided in the Boards' Report of the Company.

9. Human Resource Development

The Financial Year 2020-2021 was a particularly testing one for our workforce because of the prevalence of the pandemic. Despite operating from COVID-affected parts of the country, helped the company achieve its operational and business targets reaching out to customers and with their physical presence in the office thus putting the interest of the company in front. Company believes that its people are a key differentiator, especially in knowledge driven, competitive and global business environment. The Board of Directors of your company would like to place on record their sincere appreciation for the efforts and contribution made by all the employees of the Company in the challenging environment. Your Directors take this opportunity to thank all employees for rendering impeccable services to every constituent of Company, customers and shareholders. The Company has a well-defined appraisal system to assess and reward the employees appropriately and also to gauge the potentials of the individuals.

CORPORATE GOVERNANCE REPORT

In compliance with Regulation 34(3) and Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [hereinafter referred as “SEBI Listing Regulations”], a Report on Corporate Governance for the Financial Year 2020-21 is presented below:

1. Company’s Philosophy on Corporate Governance

Corporate governance encompasses a set of principles, systems, and practices through which the Board of Directors of the Company ensures integrity, transparency, fairness and accountability in the Company’s relationship with all its stakeholders. The code of corporate governance is based on the principle of making all the necessary decisions and disclosures, accountability and responsibility towards various stakeholders, complying with all the applicable laws and a continuous commitment of conducting business in a transparent and ethical manner. A good corporate governance framework incorporates a system of robust checks and balances between key players; namely, the Board, the management, auditors and various stakeholders.

We at **Sonal Mercantile Limited**, have been continuously strengthening the governance practices and have followed a trustworthy, transparent, moral and ethical conduct, both internally and externally, and are committed towards maintaining the highest standards of corporate governance practices and quality of disclosures thereunder, in the best interest of all its stakeholders.

SONAL MERCANTILE LIMITED

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **SONAL MERCANTILE LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2021, the statement of profit and loss, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2021, and the **net profit** (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and the auditor's report thereon.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for

V.N. PUROHIT & CO.

insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain a reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

V.N. PUROHIT & CO.

Chartered Accountants

- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement, individually or in aggregate, makes it probable that the economic decision of reasonable knowledgeable user of the financial statement may be influenced.

We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and, (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable.

ANNEXURE- B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **SONAL MERCANTILE LIMITED** as on 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

V.N. PUROHIT & CO.

Chartered Accountants

accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021**1. Corporate Information:**

Sonal Mercantile Limited is a public company domiciled in India and registered under the provisions of Section 45-IA of The Reserve Bank of India Act, 1934. The company's primary business is to provide short term/ long term finance.

2. Significant Accounting Policies:**(a) Statement of Compliance:**

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis for preparation of standalone financial statements:

The standalone financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services.

(c) Use of Estimates:

The preparation of standalone financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of standalone financial statements, disclosure of contingent liabilities as at the date of the standalone financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(d) Critical accounting estimates:**(i) Income Taxes:**

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(e) Property, plant and equipment:

Properties, Plant & equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage. The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses. Depreciable amount of an asset is the cost of an asset less its estimated residual value. Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture & fixtures	10
Vehicles	8
Office equipment	5
Computers	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss. At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

(f) Revenue recognition:

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company & revenue is reliably measured.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

(i) Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

(ii) Dividend: Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

(iii) Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(g) Financial Instruments:

(i) Financial Assets: -

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost. Processing fees earned on disbursement of loan assets have been recognized in revenue over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost. Processing fees paid on borrowed loans have been amortised over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of Financial liabilities: -

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

(iii) Offsetting of Financial Instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets: -

Equity instruments, Debt Instruments and Mutual Fund: - In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(v) Expected Credit Loss (ECL): -

Financial assets where no significant increase in credit risk has been observed are considered to be in 'Stage 1' and for which a 12-month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'Stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'Stage 3'. Lifetime ECL is recognised for the financial assets categorised under 'Stage 2' and 'Stage 3'.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months. In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('Lifetime ECL'). Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

(h) Cash & Cash equivalents:

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

(i) Taxation:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961. Current and deferred tax is recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts. Deferred income tax is recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled. Deferred tax assets include Minimum Alternative Tax (MAT) paid which is considered as an asset if there is probable evidence that the Company will pay normal income tax after the tax holiday period.

(j) Earnings Per Share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors. For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2021

(k) Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent Assets and Contingent Liabilities are not recognized in the standalone financial statements.

Company's policy is to carry adequate amounts towards Provision for Standard Assets, Non-Performing Assets (NPAs) and other contingencies. All loans and other credit exposures where the installments are overdue for ninety days and more are classified as NPAs in accordance with the prudential norms prescribed by the Reserve Bank of India (RBI). The provisioning policy of Company covers the minimum provisioning required as per the RBI guidelines.

Provisions are established on a collective basis against loan assets to absorb credit losses on the aggregate exposures in each of the loan portfolios. A higher non-performing asset provision may be made based upon an analysis of past performance, level of allowance already in place and Management's judgment. This estimate includes consideration of economic and business conditions. The amount of the allowance for credit losses is the amount that is required to establish a balance in the Provision for Non-Performing Assets Account that management consider adequate, after consideration of the prescribed minimum requirement under the RBI Directions, to absorb credit related losses in its portfolio of loan items after individual allowances or write offs.

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **SONAL MERCANTILE LIMITED** ("hereinafter referred to as the "Company") and its associate, which comprise the consolidated balance sheet as at 31st March 2021, the consolidated statement of profit and loss, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March, 2021, and the consolidated **net profit** (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its associate in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and the auditor's report thereon.

Our opinion on the consolidated financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company and its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The Board of Directors of the Company and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates respectively, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the company and its associate are responsible for assessing the ability of the Company and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or its associate or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the company and its associate are responsible for overseeing the financial reporting process of the Company and its associate respectively.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company or its associate to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated

financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statement, individually or in aggregate, makes it probable that the economic decision of reasonable knowledgeable user of the financial statement may be influenced.

We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and, (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the annual financial statements of one associate included in the consolidated financial results, whose financial information reflects total net assets of Rs. 18,732.71 Lakhs as at 31st March 2021, total net profit after tax of Rs. 961.16 Lakhs, total comprehensive income of Rs. 2,768.21 Lakhs, and net cash flows of Rs. Nil for the year ended on that date, as considered in the statement. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate solely on such unaudited financial statements. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

V.N. PUROHIT & CO.

Chartered Accountants

- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under Section 133 of the Act;
- e. On the basis of the written representations received from the directors of the Company and its associate as on 31st March, 2021 taken on record by the Board of Directors of the Company and its associate, respectively, none of the directors of the Company and its associate is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure A**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements have disclosed the impact, if any of pending litigations on the consolidated financial position of the Company and its associate in its consolidated financial statements (Refer to note no. 25 of the consolidated financial statements).
 - ii. The Company and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its associate.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statement of the Company as of and for the year ended on 31st March 2021, we have audited the internal financial controls over financial reporting of **SONAL MERCANTILE LIMITED** (hereinafter referred to as "the Company") and its associate as of and for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The respective Board of Directors of the Company and its associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the

V.N. PUROHIT & CO.

Chartered Accountants

preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of information and according to explanation given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph below, the Company and its associate have maintained in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one associate company, which is incorporated in India, is based on the written representations received from the management of the said associate Company.

1. Corporate Information:

Sonal Mercantile Limited is a public company domiciled in India and registered under the provisions of Section 45-IA of The Reserve Bank of India Act, 1934. The company's primary business is to provide short term/ long term finance.

2 Significant Accounting Policies:

(a) Statement of Compliance:

The Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis for preparation of consolidated financial statements:

The consolidated financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange for goods and services. However certain financial assets and liabilities are measured at fair value in compliances with IND-AS.

(c) Principles of consolidation :

The consolidated financial statements comprise of the holding company India Finsec Limited and all its subsidiaries and associates in accordance with the requirements of Ind AS 110- Consolidated Financial Statements and Ind AS 28 - Investment in Associates and Joint Ventures (to the extent applicable). The consolidated financial statements have been prepared on the following bases: -

- (i) The financial statements of the holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, afterfully eliminating intra-group balances and intra-group transactions.
- (ii) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- (iii) Goodwill represents the difference between the Company's share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- (iv) The financial statements of the associate/ subsidiary companies used in the consolidation are drawn upto the same reporting date as of the Company i.e. year ended March 31, 2021.
- (v) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- (vi) The carrying amount of the parent's investment in each subsidiary is offset (eliminated) against the parent's portion of equity in each subsidiary.
- (vii) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognized in the Consolidated statement of profit & loss being the profit or loss on disposal of investment in subsidiary.
- (viii) Investment in Associates and Joint Ventures has been accounted under the Equity Method as per Ind AS 28 - Investments in Associates and Joint Ventures.
- (ix) The Group accounts for its share of post-acquisition changes in net assets of associates and joint ventures, after eliminating unrealized profits and losses resulting from transactions between the Group and its associates and joint ventures.
- (x) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.
- (xi) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet.

Changes in a parent's ownership interest after control is obtained that do not result in a change in control of the subsidiary are accounted for as equity transactions. The carrying amount of the non-controlling interest is adjusted to reflect the change in the non- controlling interest's ownership interest in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognized in equity and attributed to the parent's equity holders.

(d) Use of Estimates:

The preparation of financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised.

(e) Critical accounting estimates:

(i) Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(ii) Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

(iii) Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

(f) Property, plant and equipment:

Properties, Plant & equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalized includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction/installation stage. The Company has chosen the cost model for recognition and this model is applied to all class of assets. After recognition as an asset, an item of PPE is carried at its cost less any accumulated depreciation and any accumulated impairment losses. Depreciable amount of an asset is the cost of an asset less its estimated residual value. Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013. The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture & fixtures	10
Vehicles	8
Office equipment	5
Computers	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset.

Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss. At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

(g) Revenue recognition:

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company & revenue is reliably measured.

(i) Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

(ii) Dividend: Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

(iii) Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

(h) Financial Instruments:

(i) Financial Assets: -

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost. Processing fees earned on disbursement of loan assets have been recognized in revenue over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De-recognition of Financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

(ii) Financial Liabilities: -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost. Processing fees paid on borrowed loans have been amortised over the tenure of loan in proportion to the closing principal outstanding at the end of each year.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of Financial liabilities:-

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

(iii) Offsetting of Financial Instrument:-

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

(iv) Impairment of Financial Assets:-

Equity instruments, Debt Instruments and Mutual Fund:- In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets:- The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

(v) Expected Credit Loss (ECL):-

Financial assets where no significant increase in credit risk has been observed are considered to be in 'Stage 1' and for which a 12-month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'Stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'Stage 3'. Lifetime ECL is recognised for the financial assets categorised under 'Stage 2' and 'Stage 3'.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months. In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('Lifetime ECL'). Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

(i) Cash & Cash equivalents:

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

(j) Taxation:

Tax expense comprises of current tax and deferred tax. Current tax is measured at the amount expected to be paid/recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances and exemption in accordance with Income Tax Act, 1961. Current and deferred tax is recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the income taxes are recognised in other comprehensive income or directly in equity, respectively. Advance taxes and provisions for current income taxes are presented in the statement of financial position after off-setting advance tax paid and income tax provision.

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts. Deferred income tax is recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred income tax assets is reviewed at each reporting date. Deferred tax asset/liability is measured at the tax rates that are expected to be applied to the period when the asset is realized or the liability is settled. Deferred tax assets include Minimum Alternative Tax (MAT) paid which is considered as an asset if there is probable evidence that the Company will pay normal income tax after the tax holiday period.

(j) Earnings Per Share:

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors. For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(k) Provision, Contingent Liabilities and Contingent Assets:

A provision is recognised when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Contingent Assets and Contingent Liabilities are not recognized in the financial statements.

Company's policy is to carry adequate amounts towards Provision for Standard Assets, Non-Performing Assets (NPAs) and other contingencies. All loans and other credit exposures where the installments are overdue for ninety days and more are classified as NPAs in accordance with the prudential norms prescribed by the Reserve Bank of India (RBI). The provisioning policy of Company covers the minimum provisioning required as per the RBI guidelines.

Provisions are established on a collective basis against loan assets to absorb credit losses on the aggregate exposures in each of the loan portfolios. A higher non-performing asset provision may be made based upon an analysis of past performance, level of allowance already in place and Management's judgment. This estimate includes consideration of economic and business conditions. The amount of the allowance for credit losses is the amount that is required to establish a balance in the Provision for Non-Performing Assets Account that management consider adequate, after consideration of the prescribed minimum requirement under the RBI Directions, to absorb credit related losses in its portfolio of loan items after individual allowances or write offs.

30 The Consolidated financial statements were approved for issue by the Board of Directors on 30th day of June, 2021.

31 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

32 There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

33 India is currently witnessing the second wave of COVID-19 pandemic with significant increase in the number of infected cases. The resultant lockdowns are less restrictive for economic activity and are concentrated in the most-hit states. The Company has not experienced any significant impact on its liquidity position due to the sufficiency of working capital. The Company continues to be well geared to meet its funding needs.

In view of the above, the Management believes that there will not be significant impact of this outbreak in continuing its business operations, in maintaining its financial position and in its ability to continue as a going concern. The Company shall also continue to closely monitor any material changes arising of future economic conditions and potential impact on its business.

34 Previous year's figures have been re- arranged or re- grouped wherever considered necessary.

35 Figures have been rounded off to the nearest thousands of rupees.
